of room where the foot and toe re-
quire it, but no surplus.

TO WOMEN.

MANNISH Shoes will be used exten-
sively by women during the Summer
for outing and mountain wear. I have
made a line of shoes, in russet and
black, on lasts and patterns that are
an exact copy of men's shoes. They
are neat, durable and correct in every
particular, at popular prices.

CAUTION.—Having no agencies or branch
stores, my shoes can be purchased only at my es-
